EMERGING LEADERS INSTITUTE

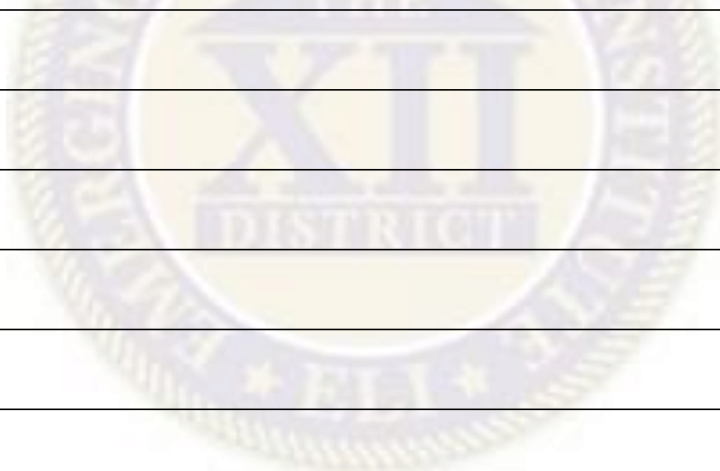

Essay

Instructions: There are numerous societal inequities, in areas such as criminal justice, education, health, housing, employment, and voting access, that adversely affect African Americans. As Omega men, how do we address these issues and uplift our communities? What issue(s) should we address first?

Recently, there have been an increase in mass shootings in America. What roll should Omega men play if any to address mass shootings?

Please choose an issue(s) you would prioritize upon taking a leadership role in Omega. What type of program (s) would you implement? How would you ensure the program (s) would be implemented with fidelity? How would you define and measure success? Please explain in 2500 words or less.
